Subject: RE: ECN09-513

AN4-20A ARE REPLACED BY AN4-21A PER REV G OF IIN. Incorporated dsi's are now part of IIN but you can still see them in DSI bluefiles. ECN # has been fixed.

I REC'D ECN09-513, but do not know what bolts have to be changed out, as there is no sheet attached to the ECN. The not says DSI's have been incorporated, but I do not see DSI9494 in the blue files, plus the blue files say under review ECN 09-511 NOT 09-513...can someone please help?
